CONVENIENCE AND COMFORT

PUT MORE POWER ON THE GROUND

- Synchronized shuttle shift allows you to quickly change between forward and reverse allowing effortless loader work.
- Suitable for grading, material handling, and moving bales of hay.
- Gear drive transmission combined with Yanmar diesel engine gives you high torque and more usable PTO horsepower.

EFFICIENCY AND COMFORT BUILT RIGHT IN

- 540E PTO provides optimum operation at lower engine RPM resulting in less fuel consumption.
- All YM3 models include suspension seat, cup holder and isolated mount floorboard for reduced vibration to provide all-day comfort.
- Ideal for mowing and baling.

VERSATILITY WITH ATTACHMENTS

- Compatible with both category 1 and category 2 attachments.
- Telescopic hitch arm provides ease and convenience with small adjustments for quick attachment mounting.
- Heavy duty, pin style sway bars keep your attachment securely in place.

CONVENIENCE DESIGNED-IN

- Lower fuel tank positioning allows for quick and easy fueling.
- Larger fuel capacity increases productivity in the field.
- Keep you working longer between stops.
